

REQUEST FOR QUALIFICATIONS (RFQ)  
Professional Airport Consulting Services  
CLOSING DATE: January 17, 2019

Airport/Location: Sawyer International Airport – Marquette, Michigan

Marquette County, Sawyer International Airport (Sponsor) intends to select a consultant to assist in airport development projects. Interested consulting firms are requested to submit three (3) copies of a Statement of Qualifications (SOQ) no more than thirty (30) pages in length, not including cover letter, table of contents, and section dividers if used to Mr. Duane DuRay, Sawyer International Airport Manager, 125 G Avenue, Gwinn, MI 49841 no later than 3:00pm on January 17, 2019. The SOQ should demonstrate the consultant's interest in providing airport planning, architectural/engineering design, and construction administration services focused on the Sponsor's current Five-Year Airport Capital Improvement Plan (ACIP). Services will include general consulting and advisement on airport development issues including assistance in the following projects:

- Taxiway A, B, C, and D Rehabilitation
- GA and Commercial Service Apron Rehabilitation
- Hangar Improvements
- Air Carrier Terminal Building Rehabilitation and Jet Bridge Replacement
- Airfield Crack Sealing and Pavement Marking
- SRE/ARFF Procurement

Services associated with the above project list, such as minor ALP Updates, programming, drainage improvements, environmental review, approach clearing, paint marking, crack sealing, NAVAID/electrical, land acquisition, and/or planning/user survey studies may be performed in association with the listed projects as funding and constructability allow. From time to time projects develop as a result of airport inspections, letters of correction and/or emergency circumstances. The selected consultant may be asked to perform said additional work as part of this procurement action.

Land acquisition consultant services necessary to acquire easements for approach clearing of existing approaches as depicted in the approved airport layout plan (ALP) is included in this advertisement provided the work is completed by a qualified and properly licensed land acquisition consultant. Land acquisition consultant services necessary for any new development project or new approaches not specifically described in this advertisement shall not be performed by the consultant selected under this advertisement and will require the sponsor to advertise for and select a separate qualified and properly licensed land acquisition consultant.

This is a Quality Based Selection process, and services for each project will be negotiated independently. SOQ submittals shall exclude fees or costs. Not all of the services or development items listed in this advertisement may be contracted nor eventually required. The Sponsor reserves the right to initiate additional procurement action for any services included in this procurement, but not under contract.

Firms will be ranked in areas such as: familiarity and understanding of the airport needs; corporate history and background in aviation consulting; demonstrated experience with similar projects; key personnel professional qualifications; firm's ability to provide contact person with demonstrated aviation experience and overall project coordination; knowledge/familiarity with FAA and State regulations, policies, and procedures; and success of recent projects. Awards or special recognition achieved by the firm should be highlighted.

Firms should demonstrate their reputation with other airports, by providing at least 3 airport references within the State of Michigan. Additional information may be requested from the top selected firm or firms. Interviews may be conducted at the discretion of the Sponsor.

Projects are anticipated to be initiated between 2019-2024. Projects are expected to be completed over several years and be funded in full or in part with funds and/or multiple grants from the Federal Aviation Administration, State of Michigan, and/or local sources. The selected firm will be subject to all state and federal requirements.

Questions can be directed to: Mr. Duane DuRay, Airport Manager (906)346-3308 ex. 222 (dduray@mqtco.org).
